Share Your Creativity! | Call for Volunteers

Want to have fun while supporting our school? If you're savvy on social media, would love to dabble in local fashion (aka help coordinate MVCS spirit wear) or help us memorialize this unique school year with a yearbook—please drop us a line! Parents tell us how much they love volunteering for the opportunities to meet other parents and so they have a great reason to send the rest of their family to the family room while they participate in committee activities. :)

We would welcome your help and there are opportunities to fit every time budget. If you are able to help us with some specific initiatives, please email mvcspptaengagement@gmail.com

Thank You for Your Generosity | Holiday Support

The PTA is grateful for everyone who generously donated to our fundraising efforts this fall, on top of your generosity last spring. Today, we express special thanks to everyone who has donated to our

COVID Response fund, in amounts ranging from \$5-250. With this fund, our PTA provided local grocery store gift cards for more than 80 families to ensure every child from our school community would find food on their table during the break. Your continued support, in a year that is challenging for all of us in different ways, is extraordinary and humbling. Thank you, thank you, thank you.
